

# CARLINO

Private Event Bookings

Poi Room

We invite you to join us at Carlino, and immerse yourself in the sophistication and hospitality of our restaurant and private dining. Nestled in the heart of Downtown Vancouver, on the third floor of the Shangri-La Hotel, our spaces capture a warm elegance that is a perfect backdrop for your most memorable occasions.

We offer two private dining spaces, each uniquely suited to many occasions. Delve into the details of our customized private dining experiences and explore our customized event packages below.

Soulful and abundant, the cuisine of MICHELIN Guide Recommended Carlino pays homage to British Columbia and the similarities it shares with northern Italy – the mountain ranges, forests, lakes and coastal waters – while infusing each dish with seasonal ingredients sourced locally, allowing the true nature of the ingredients to speak.

We provide both à la carte and family-style menus, refreshed with seasonal updates. These chef-curated menus are ideal for your next group dinner, with a repertoire of signature Friulian dishes.

For cocktail style events, imagine an abundant grazing station of formaggi, salumi and antipasti, welcoming guests to enjoy in the aperitivo style, along with a selection of passed canapés.

Our menus can be customized to your preferences and we are able to accommodate dietary considerations.

Our beverage team is constantly innovating to provide unique and delicious cocktails and mocktails for a memorable welcome for your guests.

Our wine list proudly features the largest Italian selection in Vancouver, including limited quantities and exclusive bottles. Our knowledgeable sommelier team can advise on wine pairings to perfectly complement your meal.

# KITCHEN TABLE

Every Kitchen Table restaurant tells a story with intentional designs and purposeful touches that create a meaningful dining experience that is unapologetically unique and uncompromisingly defined. Our concepts pay homage to the cultures we're forever longing for - places where you can feel inspired and connected to community.
